Member Outreach

Several of our members are unable to attend our chapter functions. We miss their presence and their vast knowledge of chapter history. One idea is to reach out to these members by having another member visit them once a month. This could be one-on-one or visits by two members. Nothing special: just touching bases and letting them know they are not forgotten and are valued. Members could "adopt" another member, OR there could be a small group of active members who would schedule monthly visits. If you're interested in participating in this outreach, please contact Midge Bacher or Kathy Earl.

President's Message

Greetings Sisters & Brothers,

I was energized by our January meeting . . . from the outstanding Spring Sing rehearsal under Rona's expert hand and the beautiful music program to the exciting reports of our accomplishments since last Fall. Thanks go to Sharlene St. Clair our hostess and her co-hostesses Betty Axup and Sara Zeigler. Also, thanks go to Cindy Teague and Sara Zeigler for sharing their vocal talents and to their pianists Rona Cummins and Meagan Kilpatrick for their accompanying artistry. Delightful program, ladies.

A new idea came up for which I am excited. Kathy Earl suggested we form a Member Outreach group to check in on our members who are unable to get out-and-about much. Our carpooling has enabled several of our members to attend meetings but the outreach idea would be focused more on members who are unable to leave their homes. Please be thinking of how you might extend your hand of friendship to these members be it through visiting, calling or sending a short note from time to time. This will be a sub-committee of the Sunshine Committee. Check with our chair, Midge Bacher, or with Kathy, if you are interested in being part of this endeavor [see page 3 for more information].

Also, remember to keep track of your SERV hours and report them to Vice President Barbara Baker at our February meeting [see form on page 4].

Lastly, we have several persons interested in affiliating with our chapter as well as one reactivation. If you know of anyone else that might want to affiliate or reactivate at this time let Barabara Wieman, Membership Chair, or myself know. Our year is but half over and we have accomplished so much thus far. Looking forward to working with all of you in continuing to encourage music in the Sacramento area and beyond through our collegiate chapters, our "budding" teen musicians, our membership and our friends. Hope you can all make it to our February meeting. See you then.

In Friendship and Service,

Sara
